**Ty Henderson**  
*graphic designer*

Hello. I am a designer who loves losing myself in nature, participating in Board Game Olympics, dancing all night long and navigating as a foreigner in a foreign land. I look forward to working with you on your next creative project.

**experience**

**LMN Architects, Seattle, WA | Proposal Manager**  
06.10 – present

As proposal manager and marketing specialist, my responsibilities include: proposal coordination, interview coordination, award submittal coordination, oversight associated with these tasks and graphic design support. Working directly with executive and senior level staff, I create and deliver successful communication strategies.

**Wille Design, Seattle, WA | Graphic Designer**  
10.09 – 06.10

I audited the Wille Design brand identity and redesigned marketing collateral for this WBE – certified interior design firm. Projects included: logo exploration, proposal redesign, website maintenance, technology support and implementation of a social media strategy.

**NBBJ, Seattle, WA | Graphic Designer**  
01.06 – 08.09

As a communications team member, I managed and assisted multiple in-house studios with print and online campaigns. Working in the Markets studio, I produced branding materials, marketing collateral, designed packaging, and collaborated on firm presentations. I also served as a member on the firm's sustainable design editorial committee and produced a quarterly electronic newsletter.

**5th Avenue Theatre, Seattle, WA | Graphic Designer**  
10.05 – 01.06

I assisted with the design of billboards, web and print ads, marketing collateral and invitations promoting seasonal shows. I also took the opportunity to reorganize and implement a new theater archives program.
